

Ref. No. : ACA/Constitution/2018-19/08

Date: 30/10/2018

To,

The President & Secretary of the District Sports Associations/District Cricket Associations of the Assam Cricket Association

Sub: Election to be held to the Apex Council of the Assam Cricket Association in terms of the new Constitution of the Association registered on 20.09.2018.

Sirs,

On 29.10.2018 we had fixed 18th November 2018 as the date of the elections to the Apex Council as detailed above. This date was fixed in consultation with the Electoral Officer appointed by the Assam Cricket Association in terms of the said new Constitution. A copy of such appointment was also marked to the Hon'ble Supreme Court appointed Committee of Administrators of B.C.C.I.

We have received today a communication from the said Committee of Administrators dated 30.10.2018 indicating that the Committee of Administrators has filed its status report to the Supreme Court with reference to the compliance undertaken by the State Associations in terms of the Judgement dated 09.08.2018. Accordingly, the State Association had submitted its compliance report by applying and getting registered the new Constitution of the Assam Cricket Association. A compliance undertaking was also furnished by the Assam Cricket Association to the Committee of Administrators.

The Committee of Administrators has now requested the State Associations to await directions of the Hon'ble Supreme Court and/or the Committee of Administrators before holding of elections.

In view of the said request from the Committee of Administrators we deem it just and proper to await for decision from the Hon'ble Supreme Court and/or the Committee of Administrators before holding of election to the Apex Council. The election schedule on 18th November 2018 therefore stands deferred till a new date is fixed after necessary directions as stated above. Needless to say the next date shall be fixed by the Electoral Officer, Assam Cricket Association.

Yours faithfully,

(NILAY DUTTA)

President (Acting), ACA
